THE MUSTANG CLUB OF AMERICA NOW HAS “TIERED MEMBERSHIP’ OPTIONS. WHAT IS “TIERED MEMBERSHIP”?

Tiered Membership is a way for people to choose the level of involvement and level of benefits for their MCA membership. Previously, only one membership level was available. Now you will have the choice of three levels of membership with three pricing levels. Multi-year memberships are also available at a reduced annual rate. Please refer to the MCA website for current membership rates.

ASSOCIATE MEMBERSHIP

Associate Membership is the lowest priced level of MCA membership. Associate members have access to MCA vendor benefits, including the Ford X-Plan and have member access to the MCA website. Associate members may enter MCA National and Grand National Shows. Associate members do not have access to the digital or hardcopy issues of the Mustang Times. Associate members may not vote or hold MCA Regional or National Office. The price of an Associate Membership is the same for all members, regardless of where they live in the world. Membership now includes free admission to any Mecum Auction events.

DIGITAL MEMBERSHIP

Digital Members have all the benefits of the Standard Membership EXCEPT, instead of a hard-copy mailed subscription to the Mustang Times, Digital Members access the Mustang Times Digital Edition via a website link. The price of a Digital Membership is the same for all members, regardless of where they live in the world.

STANDARD MEMBERSHIP

Standard Membership has all the benefits of Digital MCA membership, but with the added benefit that standard members also receive a Mustang Times magazine subscription via mail. The price of a Standard Membership is higher for members living outside the United States due to the added postage cost of mailing the Mustang Times magazine to addresses outside the United States.
