

Berks County Mustang Car Club, Inc. 2023 Sponsorship Application

Hello,

The Berks County Mustang Car Club, Inc. (BCMCCI) is seeking businesses and/or individuals who are interested in sponsoring the Club. Ways to donate include cash donation, or donating goods and/or services that will be part of our "Chinese Auction" fundraiser at our car shows. If your company can provide a discount code for BCMCCI members, it can directly benefit your bottom line!

Your donation will assist our car club in our fundraising efforts that support organizations such as Wreaths Across America, Juvenile Diabetes Research Foundation (JDRF), PA Wounded Warriors, Disabled American Veterans, Salvation Army, as well as many other notable local charities. Since our incorporation in 2009, we've donated over \$68,000, and it's due largely to the generosity and support of our sponsors.

Our program is a tiered sponsorship system that includes a basic package, and two more levels that add benefits commensurate with higher levels of support. (See P3)

In return for all levels of sponsorship, the Berks County Mustang Car Club, Inc. will do the following:

- Display, distribute information and announce your business name at all Club events this year.
- Display your business name on the club's website (www.berkscountymustangcarclub.com) and our Facebook page.
- Display your business name on the annual Berks County Mustang Car Club Sponsor shirt. *(To be included on the Annual Berks County Mustang Car Club, Inc.'s sponsor shirt, your donation must be received no later than March 10, 2023.)*
- You will also receive a complimentary annual club sponsor shirt.

For benefits specific to each tier of sponsorship, [see the following page](#), then complete the sponsorship application – indicating your preferred level – and mail it with your donation to the address provided.

BCMCCI is a local Mustang-centric car club that promotes camaraderie and friendship among its members, other enthusiast clubs, local charities, and businesses through participation in their charity events and community activities. We will always hold the needs and interests of our members, sponsors, and the community as our highest priorities.

If you have any questions or concerns, please contact either Daniel Peterson (President) at 19dpete61@gmail.com or 484-300-3195 or Jason Eager (Public Relations) by email at: eagerjason72@yahoo.com.
