MARCH 2023

Vol. 5 No. 3

Next Meeting: Wednesday, March 15th 2023!

Location: Giannotti's Country Manor 3118 Pricetown Rd, Fleetwood

Start Time: You're welcome to have dinner starting around 5:30; the meeting starts promptly at 6:30

A Century Of Shelby

Shelby American is marking Carroll's 100th birthday with a limited edition "Centennial Edition". Only 100 of these 2023 Shelby Mustangs will be built, and they will be something to drool over. Starting with GT, SA will (for \$50K) supercharge it and "boost" the horsepower to a tasty 750! Suspension mods and a ton of Centennial Edition-only exterior trim touches will take a great performing car to an entirely different level. Oh, and you also get a black Stetson hat and Centennial book.

At The February Meeting

34 members were in attendance, including all 7 Board members. After the Pledge, Steve Fry recapped the January meeting minutes and Kris reviewed the club's finances. BCMCCI membership stands at 90 with (a revised count of) 22 current MCA members. Dan again reminded attendees of the importance of working on sponsorships, Chinese auction items and goodie bag items. Members were advised the new business cards and brochures were available as were the new BCMCCI license plates.

The Board confirmed the tent for the Ford Nationals has been paid for and members were reminded of the importance of noting their BCMCCI affiliation when registering for the show field. 25 are required in order for *next* year's tent to be free of charge. Speaking of which, it's not at all too early to get your show field passes for the Ford Nationals. Go to Carlisleevents.com and scroll down to the Ford Nationals and do it. "Dinner On Us" was scored by Team LaFaver and Gary Keibach went home with a healthy 50/50 drawing win totaling \$84.

MISSION BBQ®
The American Way.

2023 Mission Meet-Ups Are Just Around The Corner!

We will resume our “first Wednesday” gatherings at Mission BBQ in Wyomissing next month. The dates to put in your phone or write on your calendar are:

- April 5th
- May 3rd
- June 7th
- July 5th
- August 2nd
- September 6th
- October 4th

We expect everything to remain the same; sandwich coupons for the first cars on scene, a 50/50 drawing, and the usual laid back socializing with our friends. We will continue collecting meal receipts and as always, feel free to invite your car buddies. This is definitely *not* a Mustang-only event. All are welcome until they give us a reason to think otherwise.

Maple Grove Test & Tunes Start In March

Are you itching to get back to the track? Maybe you have a pal you’d like to serve some “gapplesauce” in a friendly grudge race? Maple Grove just announced their first Test & Tune (weather permitting) is Saturday March 18th from 10-3.

Pottstown Nights Dates Announced

Red Horse Motoring Club has released their 2023 schedule. These are all Saturday dates and the show runs from 4PM-9PM:

- May 6th
- June 3rd
- July 1st
- August 5th
- September 2nd
- October 7th

For those who have never attended, it’s pretty straightforward. The borough blocks off High Street in Pottstown and only show participants are allowed in. It’s a free event, and there are numerous options for food and beverage at local businesses. The 4-9 schedule is a little misleading, as this place gets *packed* when the weather is cooperating. It’s a good idea to start prowling around for a parking spot closer to 3. And plan to hang for a while; once the place fills up and the crowds come in, you will find it difficult to bail until closer to the end of the night.

It’s The Royals Treatment For Us

The Board scored tickets for the Saturday March 18th game against the Atlanta Gladiators. 5 of the 10 tickets remain available and cost \$15 for members. The beauty of that is they are \$25 seats in the “Purple Zone” 7 and 8 rows from the ice. Just like the Reading Phillies, you don’t necessarily need to be a student of the game, or even a casual fan to enjoy the evening. If you are interested, you need to contact Kris or Dan to verify ticket availability. Payment will be expected either at the March member meeting when you pick up your ticket, or the evening of the game. Be sure to wear some club logo gear!

If we are asked for more tickets than what we have, we will check with the Royals if we can get more, though we can’t say if the extra seats will be in exactly the same spot.

Cabela's Hot Dogs & Hot rods and Kempton Car Show

Another couple important dates to plan on now are coming up in May, and they require our support in force. The Cabela's event is round 2 of an event that kicked off last year and was a resounding success! All we need to do on May 7th is help with parking the attendees and conduct a 50/50. Everything else is being handled by the Cabela's team. The same Scout Troop as last year will be selling food with their proceeds going to Folds of Honor, and we'll be donating our half of the 50/50 as well.

The Wheels For Victory Car show in Kempton is on May 13th, and we need a half dozen or so (plus whoever else wants to go) folks to commit to help the organizers with parking. This is a fairly young event, but growing in popularity and the help we provided the past two years is appreciated by the crew running the event.

Henry Ford Trip Rooms Are Going Fast!

Of the 10 rooms blocked, 8 have been claimed. The last two were offered to our pals in the Mustang Club of Central PA, and may be gone by the time you read this. If you missed the February deadline – you know, the one we told you about several times over the past couple months – but still want to go, contact Dan or Kris immediately. If a room is still available, we'll let you know. For room details, refer to the Constant Contact emails with Hampton Inn contact info and the code to reference.

Last Call For 2023 Sponsors

Mid-March is the deadline for signing club sponsors. Jason needs time to design the banner and back of the sponsor tees, and we need time to get them on order. The application with details on sponsorship levels is on the club website under Downloads. This is important, especially since

several 2022 sponsors are not returning for a variety of reasons (none of which are because of something we did) and we need to do what we can to replace them. If a formal sponsorship isn't a fit for someone, they can still support the club by donating a pair of Chinese Auction items or goodie bag stuffers.

Test Drive The BCMCCI Board!

We are extending an invitation to any current member in good standing to sit in on one or several Board meetings to get a feel for what we do, how we do it, and why we do it. If filling the open Public Relations seat is of interest, this would be a great way to get try us on for size before making a final decision one way or the other. If interested, just let a Board member know and we can make the arrangements. Formal Board meetings are the second Wednesday of the month January through November.

Thank You to All our 2022 Sponsors	
<p>ASSOCIATE SPONSORS</p>	<p>STAGE I SPONSORS</p>
<p>STAGE II SPONSORS</p>	<p>STAGE I SPONSORS</p>
<p>Cartridge World Sinking Spring, PA • Deer Country Farm & Lawn Manheim, PA • Michelle Kleinfelder, Realtor-Iron Valley Real Estate</p>	

What better way to showcase the efforts of our members in securing 2022 sponsors than to have Jason Eager create a killer sponsor banner, (l) and a sponsor list (r) for the club's use on social media!
